

NANOPARTICLES STATEMENT

According to 2022/C 229/01 Commission Recommendation.

0579 TRIETHYLAMINE

We hereby confirm that the product referenced above does NOT contain nanoparticles, in accordance with the definition of 2022/C 229/01 Commission Recommendation.

No nanoparticles, or substances containing them, are intentionally added to the product during the manufacturing process. Furthermore, based on our current knowledge of the raw materials and our processes, no contamination with nanoparticles is expected.
